VolitionRx Limited Announces Pre-Payment in Full of $7.5 million Senior Secured Convertible Promissory Note Due May 20, 2027

Reduces Equity Overhang

HENDERSON, Nev., Sept. 14, 2026 /PRNewswire/ -- VolitionRx Limited (NYSE AMERICAN: VNRX) ("Volition"), a multi-national epigenetics company, today announces the full pre-payment in cash of the outstanding balance on its senior secured convertible promissory note, dated May 20, 2025, in the original principal amount of $7,500,000 (the "Note"), issued to Lind Global Asset Management XII LLC ("Lind"). Following the pre-payment, all obligations under the Note have been satisfied. The senior secured convertible promissory note, dated January 7, 2026, in the original principal amount of $2,400,000, also issued to Lind, remains outstanding in the amount of $2,041,667.

Cameron Reynolds, Chief Executive Officer, Volition, commented:

"We are very pleased to be in a position to retire the outstanding balance of this note to Lind, more than eight months ahead of our originally scheduled maturity date.

"By prepaying the balance in cash, we prevent further potential dilution to our stockholders associated with the note.

"We are continuing to execute against our plan to improve Volition's financial position and further debt and expense reduction remains a top priority moving forward as we seek to maximize stockholder value."

About Volition

Volition is a multi-national company focused on advancing the science of epigenetics. Volition is dedicated to saving lives and improving outcomes for people and animals with life-altering diseases through earlier detection, as well as disease and treatment monitoring.

Through its subsidiaries, Volition is developing and commercializing simple, easy to use, cost-effective blood tests to help detect and monitor a range of diseases, including some cancers and diseases associated with NETosis, such as sepsis. Early detection and monitoring have the potential not only to prolong the life of patients, but also to improve their quality of life.
