Volition Ticker Symbol Changed to VNRX.OB; Name Change to VolitionRX Limited Completed

SINGAPORE, Oct. 11 2011 /PRNewswire/ -- Volition, a life sciences company focused on developing blood-based diagnostic tests, has been advised by FINRA that the regulator has received the necessary documentation to announce a name change to VolitionRX Limited, and a change of symbol to VNRX.OB. FINRA has advised Volition that this corporate action will take effect at the open of business today, 11 October 2011.

Volition's symbol was previously SNDC.OB, following Volition's share exchange agreement with Standard Capital Corporation, [announced on October 7 2011](#). Volition's symbol will not be VOLN.OB as previously announced.

About Volition

[Volition is a life sciences company](#) whose goal is to make its [non-invasive blood tests for cancer](#) as common and simple to use as existing diabetic and cholesterol tests on similar formats.

Volition [is managed](#) by a well-respected team with extensive experience in diagnostics and commercialization. Volition's development activities are currently centered in Belgium and will be augmented by commercialization work in Singapore with a focus on bringing its revolutionary diagnostic products to market first in Europe, then the US and worldwide.

VolitionRX Limited is quoted on the OTC Bulletin Board in the United States of America, under the symbol VNRX.OB.

The following discussion, in addition to the other information contained in this communication, should be considered carefully in evaluating our prospects. This communication (including without limitation the following factors that may affect operating results) contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended ("Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended ("Exchange Act") regarding us and our business, financial condition, results of operations and prospects.
